

`misc.h`

```
graph LR; A[misc.h] --> B[arch.h]; B --> C[speex/speex_types.h]
```

The diagram illustrates a sequence of header file inclusions. It starts with a box labeled `misc.h`, which has a blue arrow pointing to a box labeled `arch.h`. This box, in turn, has a blue arrow pointing to a final box labeled `speex/speex_types.h`. The boxes are arranged horizontally from left to right.

`arch.h`

`speex/speex_types.h`
